GRAND MARSHALL**

*Jim and Carol Guthrie*

Jim and Carol Guthrie have farmed and ranched in the Marsh Valley area their entire married lives where they raised their four children and taught them the value of hard work. They were active in coordinating the Marsh Valley Rodeo in McCammon for several years. They owned and operated the Short Stop Grocery Store in McCammon for approximately 12 years. In 1990 they purchased a ranch in Inkom and became active in the Bannock County Farm Bureau Federation. Jim served for 20 years as President and Carol served as Chair of the women's committee. They were instrumental in promoting agriculture in community and in the schools to help students learn how and where their food and fiber is produced. Jim received many awards for his work in furthering agriculture. They promoted team roping in the Marsh Valley area and then build an indoor roping arena on their ranch in Inkom where they sponsored team ropings for many years. Jim loved to help young people learn the skill of roping. In addition to their four children, they have 13 grandchildren, 27 great grandchildren and 5 great great grandchildren. Sadly their son, Scott, passed away in 2021 and Jim passed away in November 2024. Both

Jim and Carol have always loved the Marsh Valley area and its people. Carol is extremely honored for her and Jim to serve as grand marshals of the Bannock County Fair.

# World's Funnest Photo Booth

*The World's Funnest Photo Booth is just that it's the Funnest Photo Booth in the World. It's a green screen Photo Booth which is the concept of comedy juggler Marcus, Funny Man Who Does Tricks. While talking to a state fair manager the manager mentioned to Marcus that he would like to have a Photo Booth at his fair and Marcus thought it would be even better if the Photo Booth would take pictures of people riding a bull. With that in mind Marcus built a Photo Booth that would do just that. Later Marcus thought why stop with just a bull and added a bunch of other crazy, fun and just down right amazing things someone could get a picture of themselves riding like a unicorn, a dolphin or a corn dog. It takes less then a minute to have your photo taken and printed and you can get a digital copy texted to you as well. This is something you will definitely want to see while you're at the fair.*

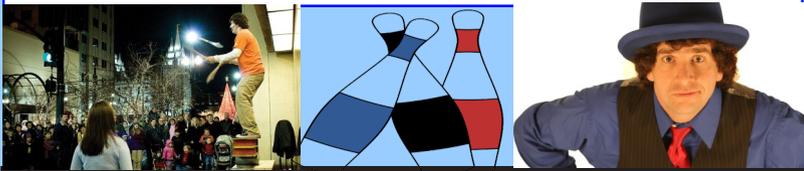

**Friday—Saturday**

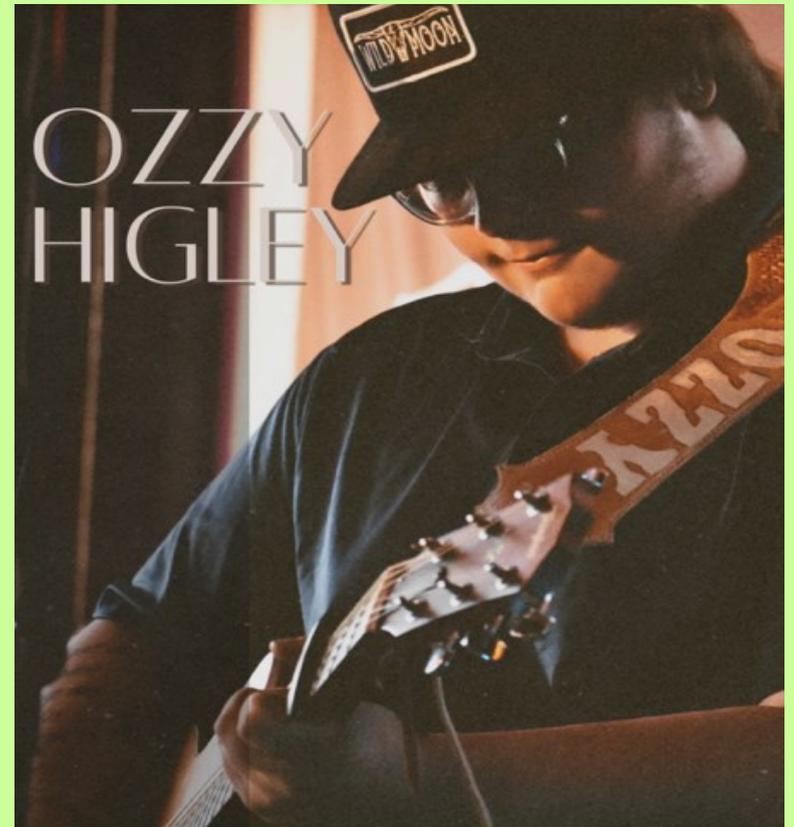

## MARCUS, FUNNY MAN WHO DOES TRICKS

There are juggling balls, clubs, musical interludes, and yo-yo tricks, with sight gags and stand-up mingled throughout, culminating with a knife juggling/balancing act that left the crowd cringing, laughing, and cheering all at once. There are variety acts and there are comedy acts, and few performers can combine the two. Marcus Wilson is one of those few. Over the past twenty years Marcus has performed for literally thousands of events, from private functions and fairs, to theaters, casinos, and comedy clubs. Thrills, chills, and spills are usually reserved for the motocross track, but Marcus Wilson has brought them to the comedy stage. Delighting audiences with an act that is half stand-up, half one-man circus (Death defiance included). This jocular juggler does it all, and leaves you laughing. Marcus Wilson is an act everyone should see twice.

**Friday—Saturday**

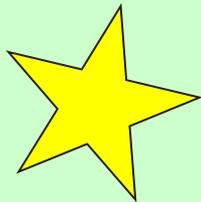

From the small town of Malad, Idaho, Ozzy Higley is a singer-songwriter whose raw, heartfelt sound is rooted in country and Americana. With seven years of experience on the guitar and three years performing on stages big and small, Ozzy brings an authentic voice to every show—whether he's headlining or setting the tone as an opener.

Ozzy's songwriting is driven by real-life experiences—stories he's lived, moments he's felt, and people he's known. His lyrics carry the weight of honesty, reflecting the highs and lows of small-town life with a poetic grit. Drawing inspiration from artists like Zach Bryan, Evan Honer, Ozzy blends emotive storytelling with stripped-down acoustic melodies, crafting that resonate deeply with his listeners.
